Berlin Township School District is located in Camden County, outside of Philadelphia, PA. Parents and Community members are encouraged to be involved in many exciting initiatives. PEACE is our parent organization which brings much support to our school community.

The district's many new initiatives include: 1) implementing Pearson's K-5 enVision math program that is aligned to the Common Core Standards, 2) district wide Positive Behavior supports program, 3) district wide Response to Intervention program, 4) further enhance our literacy program with the use of programs such as Foundations, Just Words, Wilson, Guided Reading and Being a Writer, and 5) Professional Learning Communities to allow the staff to solve problems, conduct research, and refine best practices within their teaching. Berlin Township Schools is moving towards providing more opportunities for the 21st Century Learner by reducing the computer to student ratio across the district and purchasing laptops and iPads for this initiative. At the present moment we have approximately 50 iPads being used daily in the areas of Speech, Special Education, as Augmented Communication Devices, and the Multi-media Music technology course at the middle school.

Please contact Loretta Marshall at 856-767-9480, ext. 1111 or at lmarshall@btwpschools.org for more information regarding our Choice Program for the 2013 – 2014 school year.
